La palabra suspended aparece 13 veces en sus términos de servicio. Esto es algo que se van a leer sus enemigos y aprovecharlo. Seguramente ella también se lo habrá leído:

1. b. Child Pornography. Any site found to host child pornography or linking to child pornography will be suspended immediately without notice.
2. c. Terrorism. Any website found to host or otherwise sponsor material that supports terrorism will be suspended immediately with or without notice on a case by case basis.
3. d. Prohibited Content: Hate Speech and Discriminatory Material. Any website found to host or otherwise sponsor material that promotes or endorses hateful speech towards any group of people based on ethnic or national origin, color, race, or religion may be suspended without notice. This policy is in strict alignment with Icelandic Penal Code XXIV, Article 233, paragraph a. Please refer to the following link for more information.
4. It is your responsibility to ensure that scripts/programs installed under your account are secure and permissions of directories are set properly, regardless of installation method. When at all possible, set permissions on most directories to 755 or as restrictive as possible. Users are ultimately responsible for all actions taken under their account. This includes the compromise of credentials such as user name and password. It is required that you use a secure password. If a weak password is used, your account may be suspended until you agree to use a more secure password. Audits may be done to prevent weak passwords from being used. If an audit is performed, and your password is found to be weak, we will notify you and allow time for you to change/update your password.
5. e. Doxxing. We have a zero-tolerance policy towards doxxing. Any website found revealing or facilitating the revelation of private or personal information about individuals with harmful intent will be immediately suspended with or without notice. This includes indirect methods such as using third-party services or public platforms to disseminate the information. OrangeWebsite.com fully abides by the Icelandic Penal Code section 233, which specifies indiscriminate. Details of the penal code can be found General Criminal Code.

6. 3.1.d. Domain name suspension.

Starting from the 26th of August 2012, we may suspend and PERMANENTLY lock online pharmacy domains that reasonably appear in breach of our ONLINE PHARMACY POLICY without prior notice to you. Suspended online pharmacy domain names will remain locked and CANNOT be transferred away to another Registrar until and unless LegitScript notifies us that the domain name is no longer classified as operating in violation of this section.

1. 3.5 Phishing/Scam. Phishing/Scam Any service found to be purposely used for phishing/and or scamming information or other similar malicious practices on our network, will be immediately suspended/terminated with or without notice for breach of terms of service and any product therein confiscated.
